

UPMART COMMON LAW COURSES

Did you know how sections within your

Australian Constitution

codify rights that protect you?

Here is your opportunity.

- MOTORISTS:** Do you know how to defend yourself against parking fines and speeding fines?

No excuses.***

In the UPMART Common law course you will learn:

- Legal processes and the requirements for creating legal notices such as *Notices of Demand*, *Notices of Dispute* which you use to fend off attacks on your rights, liberties and assets.
- How to defend yourself against fines and much more.

At our common law course we will empower you with the tools you need to create freedom for yourself and save thousands of dollars in legal fees, fines, GST exemptions and more.
